The the character of the steeles to to two very remarkable journeys through the interior made by a Mr. Burley with the object of the Scriptores: Although	f
no; connected with any particular discina he has necessari in anittering no less than 13,000 year more of the Rible through the different province	6
which he had visited. In this first journey he left Peking for the grant hand in point he followed the course of the stream for shout two hundres wiles foreign exceeding Shantons and remain	0 . 0
miles, finally prossing Shantung and resolving Guefoo, On the second occasion he started from Gunton, and passing through portion of Kuang tung Kuangai and Hungo, had reached the Tung	
to the Min. full wing which he arrived at Chan to the min. full wing which he arrived at Chan t'u, the ancital of Szechaan. Thence he refurne	
to the Northern boundary of Yun in and reach ing the river Wu set out for Kuci-youg, the capital of Kuci-chou. He was unable to reach this	i.
city, and was obliged to cross the mountains to the pastward in order to gain the river. Your through which he ascended to the Tung-ting lake Thence he followed the Yang-t zo to Hankow an	n. 0, :
Shanghai. During this journey Mr. Eagley passed at through fourteen provinces, and visited clove capitals and thirty cities of the first rank, although	n
be was alone and defenceless, having no recommendation but his passport, and no mean of its traving his provinces example by the sale of his	
books. It was most extintactory to flod that suc a journey—the most re nurkable of modern times— could be made to safery. The meeting then separated.	7.
Persecution of Christians in Szechuan.	**
It is no werrisame to currelyes to detail, a doubtless it is to our readers to permise, the our readers to permise, the our	-

doubtless it is to our readers to parais, the stantly recurring instances of disregard on the part of the Chinese for Treaty stipulations, which are day by day brought to our notice." We recently had occusion to onlyingh up in the injustice done to and lat present in the pagapation of Mesers the catholog phissionaries by these provincial ELMENBORST and SANDER. authorities, Li Forai smonget the number, who refuse to give un property formerly owned by the various missions in cities and towns wrested from the rebale during the past two years. We understand that the French ininiater has taken up. already insisted, on the full resultation of all land and buildings known to have been in former times purchased by the eathalia fathers or granted to on hy the government or by private individuals. This is, so far, as it bught to be, and we can only trust that the justice of the claims said will be fully recognized, and the outholic seminaries and FULE Upper Recoined Premises situated in the pels re-restablished on their former facting in Wellington Birres, next to the Premises of chapels re-established on their former facting in Nanking and other places of less note. But we Mesers, F B. DAMA & Co, well adopted for an have unfortunately a charge still more serious | Office and residence. than that of dishmesty to bring against some of the native officials in the province of Farchuan. It is well known that that province has long been regarded as the great center of catholicism, in Clains, and that the Roman church bas three spred her doctrines more widely and with greaters 11 / Central. success than in any other part of the Empire. The catholic population have at various periods been exposed to persecution, but of lare, to judge by the accounts given by Hao and other visitors, the progress of christianity has encountered no violent opposition. However, the fire of disconjent has been smouldering in the breasts of certain of the literati, and they have intely taken a step which we trust they will be forced long and birforly to rue. The days whan pr cefu negociations could be couried on at Canton while the grossest cruelties were being perjetrated on French | FAHE House in Elgla Terrano (formerly occu citizens at Wuchang are now just for ever and the French in common with the other great powers of Europe have done too much towards hambling large Bedraoms and two Dressing Rooms, two Chinese atrogance to allow their dignity to be Bath Rooms, Servants Offices, and Stabling. outraged with impunity. The circumstances of the case to which we allude are briefly as follows: Within the last few days information was efficially received at one of the van one in the city to the effect that on a certain day in the ninth moon: a mob of the inhabitants of Yu-yang chou in the

province of Szechuan, headed by four literary

graduates named Fong Sau-ying. Fong Won-

wilen. Chang Reichan and Sung Won-beun, at-

treating the people found therein with the utmost

violence, burned the buildings to the ground.

They then went in sourch of the foreign Missionary

who was in charge at the time, and having found

him, they killed him and flung his body into a river. The Chinese name of the priest thus ruthlessly slaughtered was Va Pi-lo. What other cutrages were committed we know not, but up to | A Rooms, Outhouses Stable and a small garthe time that the account was written no steps den, situated at the Mosque Street, Rent \$25 per had been taken to punish the municrers. No month, possession can be bad immediately on aphoubt the French authorities will make strict plication to enquire into this case; indeed it is principally with the clew of haviening forward such a procopling that we thus publicly notice the occurrence. The catholic missions; ice not only possess their rights on Europeans, but bey have a strong hold on the sympa hies of all those who appreciate disinterested devotion to a gause in which there is bus little to hope while there is much to dread. U. E-q Initaliazates Finance.

21 Merton Pete, whose visit to America, in Houses, & o. company with home other well-know gentlemen, was mention of a west or two sinds, has been ended by making a specch, in which he took occasion re er to the United States debt Well," aid in Morton " the figures do look have, but it may he some genned tion to know that your debt is not an large as ours, the figures being as eight humired in Highs to six hundred million pounds storling. The interest at present will be at a greater rate of charge in your country than our own ; but an h is the enermous extent of your territory, and such its rapid development, and such, I believe, t' e self-reliant atti ade of your neople, that no difficulty will arise in some meeting the annual charge. Our own progress as a nation was shown to be so great in a recent speach by Mr. Gladstone since the adaption by us left ed by the free tende notice that, by the showing of the banthe themselves in their income tax, and property oze Ro- pergens, the increase in ten years has exceeded the S Rooms, I beides Servants quarters. Macae. total value of the entire national debt." Let me F.M. for | add a familiar explanation: -- Suppose cach. Ame. | next." tionn spent on dinner one shilling a day for a MANU- yene, your people would consume as much as the entire an jone debt y in have filourred. Look at ris, for the whose competion we are berg celebrating. Why, it has been an been an entire and the position of your entire antional underlying form a portion, situated not the Correct of the best in the limit of your entire antional underlying form a portion, situated not the Correct of the best intelligence deliberation of your entire antional underlying form a portion, situated not the Correct of the best ones of the best ones of the best ones in the line of the best ones of th int from the railway (the Atlantic and Great Western) FL'10 18 of the Detuched House in the Coffee House in London, where Shipmusters may as those of the Princers Royal. the Rice light and the receipts show it to be a highly remuary with negative investment,"-The Pall Mull Gazette

WAR SONG OF THE FENLANS. Up. sons of the Fenians, To England's disthruction ! Sura thera's aver sonvenience For faisin' a riedtion at Apraes the Atlantic. There waits yet invitin' Bowld champions that's frantic Par want o' more fightin'. At humn, too, look round, See the crops that is sint ye

The premes is sound. And the pike-handles plinty. For aport and for pastime. The boys is quite willin'. Och ! on Sunday at mass time Tis they do be dhrillin'. Phin near wid all thrace Of foreign invasion Tis the land of our race;

The puld accient Phaynecian Tis nurs be the might Of thim onnous in Hanibals. Who won it in fight From the resident cambinals. We will stand is no more! The yoke of the Saxon. Too long has been wors Our pathriot backs on. No longer we'll wait For the hattlefield thirstin'-Truth since forty-eight Wo've had little divership. Yez fought for O'Brine. Yez blad for John Mitchel.

Thim deeds in Fame's shrine Will not fill a niche ill): And 'lig you that ande more. I'll go bail, will not tarry To wather wid gore Blood-stained Bullingsray. Dhrive the foe to the sos.
